# Terunyan Wall Cemetery Private Boat Tour – FAQ's

**How long has Expedition Bali Tours been around for?**

*"We're the oldest established tour operator in Kintamani. We started in 2012"*

**Should I wait for better pricing or last-minute deals?**

*"We don't do "last minute deals" and we don't adjust our pricing for high and low season."*

**Can you arrange a pickup from our hotel?**

*"Absolutely. We have bunch of great mates that all belong to one team. Their English is passable, they must all have currently registered vehicles and current drivers licences for our insurance to be effective. We keep copies on record of each driver, with expiry dates notes in our calendar with a 14 day reminder set up on each".*

**How do I know if I will like the tour?**

*"That's easy, check our Google / TripAdvisor reviews. We also won the Luxury Tour Guide Global Award for service in 2021 / 2022 above every other tour operator in every category in Indonesia. And then, to top that we won the Luxury Tour Guide Awards – Private Tour Operator of the Year throughout all of Asia. 2024/2025"*

**Can I book on this particular date, a bit later?**

*"All of Expedition Bali Tours are private tours. We run one tour a day of each tour. Best you pick the date and time you want, and lock that in to avoid disappointment"*

**There are 10 of us, can we all go?**

*"Sure, however, this will be a booking of six, and a booking of four. This will require two separate vehicles, and two separate boats. 12 maximum – No negotiation beyond that."*

**I can't swim, is the boat safe?**

*The boat is purpose built for tourism. they all have life jackets as standard, and our particular boat driver has lived on the lake his entire life. He loves it*

## Features & Benefits

### Sustainable Cities & Communities

United Nations Global Goal number 11. We donate \$15 from every Terunyan Wall Cemetery Private Boat Tour to the Terunyan Community.

### Our Transfer Drivers

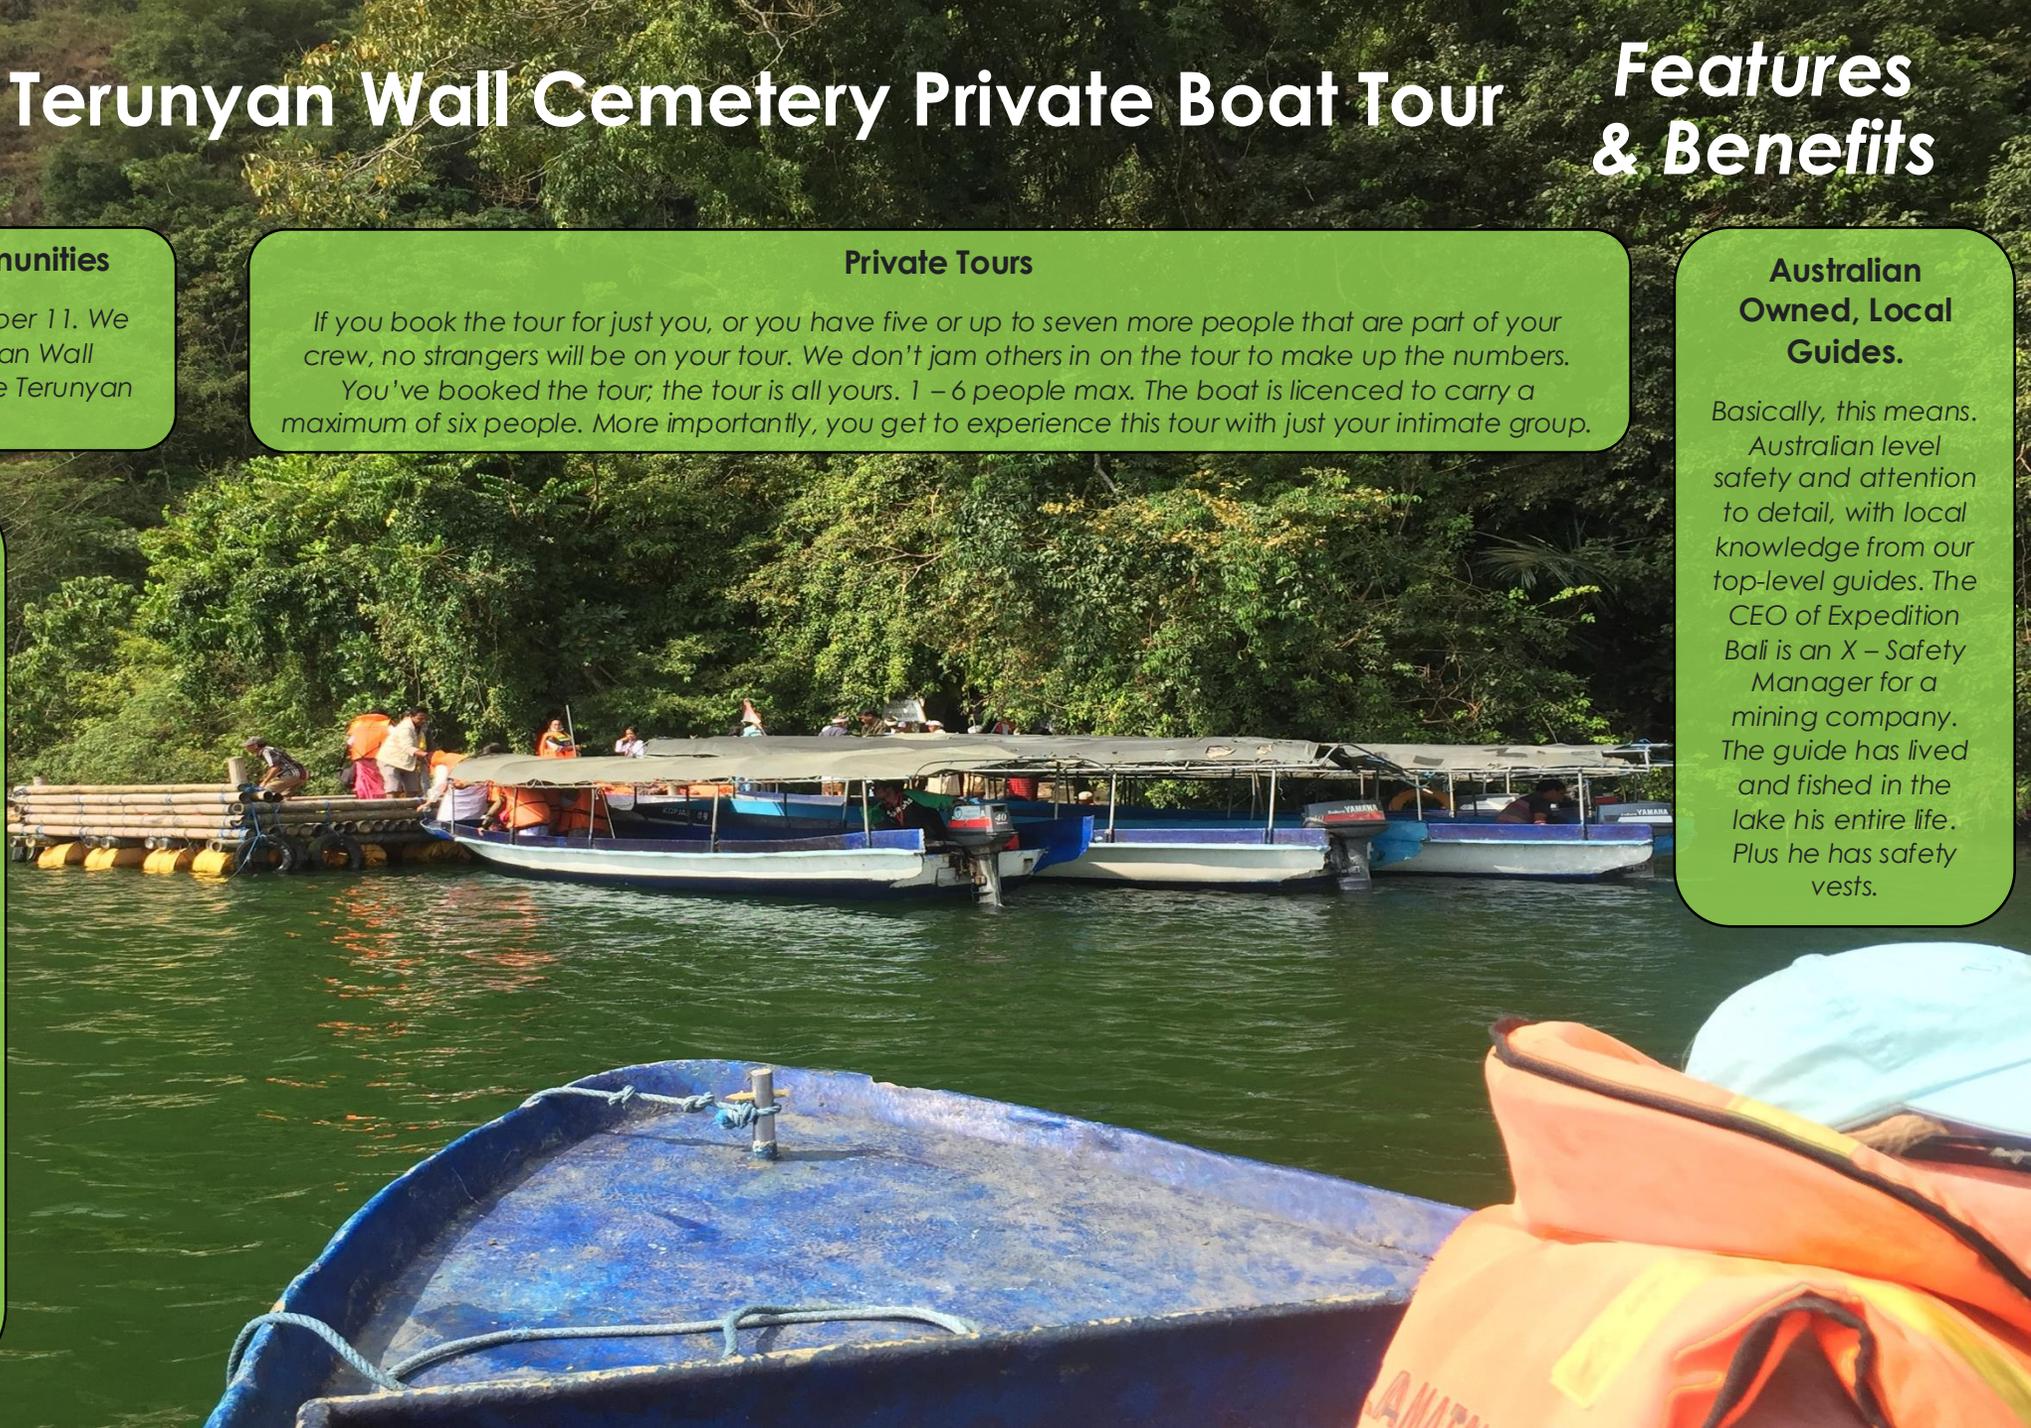

Our drivers, are great mates, have passable English, and are nice to our guests. Best of all 'they wait'. They pick you up from your hotel on time, you do your selected tour, and they wait. They don't sneak off and do other jobs whilst you're on your tour with your personal belongings in their vehicle. A bad transfer driver will be sneaking off doing other jobs, and your things could go missing. This will ruin your holiday. (Imagine if you lost your passport, your watch) Our drivers are 100% tried and tested trustworthy drivers. We pay our drivers to stay for the entire day, whether your tour is one hour, or 10 hours; they wait.

### Private Tours

If you book the tour for just you, or you have five or up to seven more people that are part of your crew, no strangers will be on your tour. We don't jam others in on the tour to make up the numbers. You've booked the tour, the tour is all yours. 1 – 6 people max. The boat is licenced to carry a maximum of six people. More importantly, you get to experience this tour with just your intimate group.

### Australian Owned, Local Guides.

Basically, this means. Australian level safety and attention to detail, with local knowledge from our top-level guides. The CEO of Expedition Bali is an X – Safety Manager for a mining company. The guide has lived and fished in the lake his entire life. Plus he has safety vests.

### 3 x Bonus reasons to book with Expedition Bali Tours

All of our volcano tours (including this tour) have a small unique gift. For example, on this tour we created a drinking coffee mug memento for you to keep and take with you back to your home country. On one side of the mug it has the Expedition Bali logo, and on the other side it has a dancing skeleton and it says **"I've seen dead people in Bali"** It's a free gift for every person on the tour.

Take this mug to work with you when you get back home. It will be a constant reminder to you of the time you had with us, and, your work colleagues will be intrigued at the dancing skeleton, and ask, "What is that skeleton about?" and every time they do, you'll relive your Bali experience.

The other bonuses we do on this tour that no other tour operator in the region does is we take care of the donation required from every tourist to the Terunyan area. Other tour operators don't tell you about this fee until you arrive, (It keeps their initial booking fee down) and then you're fishing around in your pockets looking for money. Rp50,000 per tourist is about the going rate. Not much, however, when you're not expecting it and you have a family of six, your wallet is back at the car, it can be awkward. We pay Rp150,000 if there is one or six of you.

We'll also provide you with a free guidebook we developed ourselves in order for everything to make sense for you, give you perspective and relevant history, debunking myths and helping you to understand the question of "why?"

### No Risk Policy

We're the oldest running tour company in Kintamani, Bali. We've been running since 2012.

2021/2022 Winner of the Luxury Tour Guide Awards for Service across the entire Indonesian country. #1 in Indonesia

We also topped that by winning the Luxury Tour Guide Award – Private Tour Operator of the Year 2024 / 2025

### ACT NOW

We have one boat, and one boat driver. He can organise another boat for a bigger group, however not for "another group". This tour is our most popular on the website by more than double the hits on any other page. This is an "intriguing" tour. Don't delay. You won't see anything like this anywhere else on the planet.
