Bali's Ultimate 4x4 Combo Private Tour – FAQ's

How do we know if your guides are really qualified?

"All of our volcano tour guides are qualified Mount Batur Trekking Association Guides. We have copies of our guide certifications on record to send anyone at any time."

Can I book on this particular date, a bit later?

"All of Expedition Bali Tours are private tours. We run one tour a day of each tour. Best you pick the date and time you want, and lock that time and date in to avoid disappointment"

How long has Expedition Bali Tours been around for?

"We're the oldest established tour operator in Kintamani. We started in 2012"

Should I wait for better pricing or last-minute deals?

"We don't do "last minute deals" and we don't adjust our pricing for high and low season."

Can you arrange a pickup from our hotel?

"Yes. We have bunch of great mates that all belong to one team. Their English is passable, they must all have currently registered vehicles and current drivers licences for our insurance to be effective. We keep copies on record of each driver, with expiry dates noted in our calendar with a 14 day reminder set up on each".

There are 10 of us, can we all go?

"We take a maximum of six adults. This amount fits in our 4x4 the best. We can organise other vehicles for more people"

Do I have to be super fit?

"Not even remotely. If you can walk through a mall, you can do this tour. You need to walk up a slight hill for 10 minutes. Take your time. Obviously on the way back it will be a lot easier."

How do I know if I will like the tour?

"That's easy, check our Google / TripAdvisor reviews. We also won the Luxury Tour Guide Global Award for service in 2021 / 2022 and we topped that off recently by winning the Luxury Tour Guide Award Private Tour Operator of the Year 2024 ; 2024above every other tour operator in every category throughout all of Asian"

Seriously, getting up at some ungodly hour of the morning to be at your meeting point in Kintamani near the volcano for 4.30am; is it really worth it, be honest?

"Yes, it's really is worth it. Check out the testimonials."

Bali's Ultimate 4x4 Combo Private Tour **Features & Benefits**

Sustainable Cities & Communities

United Nations Global Goal number 11. We give \$5 from every Million Dollar Point Tour passenger to the Kintamani community. This goes towards local infrastructure including roads, education for farmers on the correct use of the land and more sustainable farming techniques.

Australian Owned, Local Guides.

Basically, this means. Australian level safety and attention to detail, with local knowledge from our top-level guides. The CEO of Expedition Bali is an X – Safety Manager for a mining company. Small fire extinguishers are inside the seating area, grip tape on the steps, medical kit on board, the vehicle is serviced at half the recommended intervals. Our local guide lives in the area and has done his entire life. He knows Kintamani inside out and back to front.

Our Transfer Drivers

Our drivers, are great mates, have passable English, and are nice to our guests. Best of all 'they wait'. They pick you up from your hotel on time, you do your selected tour, and they wait. They don't sneak off and do other jobs whilst you're on your tour with your personal belongings in their vehicle. A bad transfer driver will be sneaking off doing other jobs, and your things could go missing. This will ruin your holiday. (Imagine if you lost your passport, your watch) Our drivers are 100% tried and tested trustworthy drivers. We pay our drivers to stay for the entire day, whether your tour is one hour, or 10 hours; they wait.

The Best Qualified Guides

Our guide is a local celebrity; everyone knows him because he's the best. He's qualified, certified, and his English is good.

Don't Trek for hours

In this tour you'll literally walk for 10 minutes. Honestly, we timed it to be sure. It's a bit uphill on the way, however on the way back, she's all down hill, However, 10 minutes, that's it. Take your time.

Custom Built 4x4

Our vehicle is purpose built for comfort, panoramic views, power, and protection from the elements, whilst maintaining maximum fun and enjoyment. No other vehicle in Kintamani is purpose built for tourists.

Views

You'll see Mount Batur, Mount Abang, Mount Agung, Mount Rinjani, Lombok Island, Lake Batur, The Indian Ocean and the Mount Batur Caldera with all the village farming from this one location

Desa Oculus Lunch & Swim Package Included as standard in this tour

Private Tours

If you book the tour for just you, or you have five more people that are part of your crew, no strangers will be on your tour. We don't jam others in on the tour to make up the numbers. You've booked the tour; the tour is all yours. 1 – 6 people max. This is so you get to experience this tour with just your intimate group.

Bonus Reasons To Book with Expedition Bali Tours

All of our tours have a small unique gift. For example, on this tour we give you a rechargeable LED's hats to light your way plus a pair of EBT designer label sunglasses. You know why? We do this more for practical reasons. It's dark when you first set off, because you're getting to the summit before the sun has risen. Then when you're cruising the black lava fields you'll thank your God you have been given the sunglasses you forgot to pack at 1:00am when you left your accommodation because who needs sunglasses at 1:00am and it's dark. We created these mementos that you can keep and take with you back to your home country. The hats aren't cheap, and we have put our logo on the hat to remind you of where you first used the hat and sunglasses. They're yours to keep.

No Risk Policy

We're the oldest running tour company in Kintamani, Bali. We've been running since 2012.

2021/2022 Winner of the Luxury Tour Guide Awards for Service across the entire Indonesian country. #1 in Indonesia

Winner of the Luxury Tour Guide Award - Private Tour Operator of the Year 2024/2025
